

THE KAKAMONSTERS CLUB

COTO FERNANDEZ, ANA

SINOPSIS

This is Marco s story, a nine-year-old boy who doesn t like going to class. He doesn t like it because there are goblins, trolls, witches, zombies and vampires at his school. And they are always giving him a hard time. At the start of the new school year Marco feels alone while facing his enemies. But very soon he ll meet a few new friends who will share his adventures. Will Marco and his friends discover the truth about the monsters? WARNING!!! If you read this book before going to bed, don t forget to look under your pillow the next morning. And, above all, remember that sometimes things aren't what they seem. what they seem. ...
